

ANNEX IV

LIST OF CONSULTED VILLAGES

Annex 4

List of Consulted Villages

The majority of the villages listed below have been consulted directly during the ESIA process. Some have been consulted only during the land acquisition process, since they are affected by land acquisition but are not likely to feel direct construction impacts as the village itself is located relatively far from the ROW.

Village Settlements	Approximate Population	Dominant Ethnicity
Jandari (1)	3000	Georgian/Azeri
Nazarlo	5600	Azeri
Kesalo	4700	Azeri
