

## TABLE OF CONTENTS

### Glossary

### Summary Overview

1	Introduction.....	2
2	Brief Description of the Project.....	5
	2.1 Project Synopsis.....	5
	2.2 Summary of Project Impacts .....	5
	2.3 Project Sponsor .....	9
	2.4 Implementing Arrangements in Each Country .....	9
3	Policy & Legislative Framework.....	11
	3.5.1 OD 4.30 Involuntary Resettlement.....	13
	3.5.2 IFC Good Practice Manual on Public Consultation and Disclosure.....	14
	3.5.3 Project Measures Relating to Compliance with World Bank Group / IFC Policy Standards.....	14
4	RAP Principles and Objectives .....	16
5	Consultation and Disclosure .....	17
6	RAP Costs and Budget .....	22
7	Program for Implementation .....	23
8	Other Relevant Studies and Reports.....	24
Table 1	Summary of Project Affected Households .....	6
Table 2	Summary of Project Land Requirements.....	8
Table 3	World Bank Group/IFC Policy and Guidelines Referred to for Project RAP Preparation .....	12
Table 4	Summary of International and In-Country and Disclosure.....	20
Table 5	Budget for BTC Pipeline Land Acquisition and RAP Activities .....	22
Table 6	Summary of Some Other Relevant Project Social and Environmental Assessment Documents.....	25
Figure 1	Summary of Resettlement Action Plan Parts.....	1
Figure 2	BTC Pipeline Route.....	4
Figure 3	Schedule for Implementation .....	23
1	Introduction.....	1-1
	1.1 General .....	1-1
	1.2 Project Sponsors.....	1-2
	1.3 Brief Project Description.....	1-2
	1.4 Project Affected Areas .....	1-4
	1.5 Government Administrative Responsibility .....	1-6
	1.6 Program of Implementation.....	1-7
	1.7 Policy framework.....	1-8
	1.8 Overall RAP Objectives .....	1-9
	1.9 RAP Preparation and Disclosure.....	1-11
	1.10 Other Project Social and Environmental Assessment Documents .....	1-14
	1.11 The RAP Document .....	1-15

RESETTLEMENT ACTION PLAN  
GEORGIA

Table 1.1	General Characteristics of the BTC Project in Georgia – 44 meter corridor .....	1-3
Table 1.2	BTC Project: Affected Populations .....	1-5
Table 1.3	Affected Land Plots by Districts .....	1-5
Table 1.4	Total Size of Affected Plots .....	1-6
Table 1.5	Government Administrative Responsibilities .....	1-7
Figure 1.1	Georgia Section of the BTC Pipeline .....	1-1
Figure 1.2	RAP Implementation Schedule .....	1-8
2	Project Description .....	2-1
2.1	Pipeline route .....	2-1
2.1.1	Defining the Pipeline Route .....	2-2
2.1.2	Surface Preparation and Grading .....	2-2
2.2	Corridor Configuration in Georgia .....	2-2
2.2.1	Pump Stations .....	2-3
2.2.2	Valves and Pigging Stations .....	2-3
2.2.3	Access Roads .....	2-4
2.3	Temporary Construction Facilities .....	2-4
2.4	Construction Procedure .....	2-5
2.5	Operations and Maintenance .....	2-7
2.5.1	Restrictions of Use .....	2-9
2.5.2	Pipeline Corridor .....	2-9
2.6	Project Schedule .....	2-10
2.7	Summary of Land Requirements .....	2-11
2.8	Measures Taken to Minimize Land Acquisition and Resettlement in Georgia .....	2-12
Table 2.1	Temporary Facilities: Pipe Yards and Worker Camps .....	2-4
Figure 2.1	Construction Sequence .....	2-8
Figure 2.2	Pipeline Protection Zones .....	2-10
3	Legislative, Regulatory and Legal Framework .....	3-1
3.1	Introduction .....	3-1
3.2	HGA Provisions in Respect to Land Acquisition and Compensation .....	3-2
3.3	HGA on Social Development Considerations .....	3-3
3.4	Returning Land to Owners for Use after Construction .....	3-5
3.5	National Legislative Framework .....	3-5
3.5.1	The Constitution of Georgia, 1995 (as amended) .....	3-6
3.5.2	The Law on Compensation of Compensatory Land Cultivation Costs and Sustained Damage in Case of Allocation of Agricultural Land for Non- Agricultural Purposes, 2nd October 1997 .....	3-8
3.5.3	Law of Georgia on Oil and Gas, 1999 (as amended) .....	3-10
3.5.4	Labor Code, June 1973 (as amended) .....	3-10
3.5.5	The Law of Georgia on Employment, 2001 .....	3-10
3.5.6	Legislation on Public Participation and Consultations .....	3-11
3.5.7	Law of Georgia on the Protection of Cultural Heritage, 1999 (as amended) .....	3-11
3.5.8	Land Ownership and Property Rights in Georgia under the Civil Code, 1997 (as amended) .....	3-12
3.5.9	The Law of Georgia on Land Registration, 1996 (as amended) .....	3-14

3.5.10	Power of Eminent Domain.....	3-14
3.6	Consistency of Local Legislation and the International Policies Relating to Land Acquisition and Involuntary Resettlement.....	3-18
3.7	Project Measures to Ensure Compliance with World Bank/IFC Requirements .....	3-19
Table 3.1	Key HGA References Governing Land Acquisition and Resettlement Issues .....	3-3
Table 3.2	The Georgian Constitution as it Relates to Resettlement Issues .....	3-7
Table 3.3	The Law on the Rule for Expropriation of Ownership for Urgent Public Necessity .....	3-17
4	Overview of Project Affected Populations .....	4-1
4.1	Introduction .....	4-1
4.2	Summary of Socio Economic Survey Results .....	4-2
4.2.1	Methodology and Sampling .....	4-2
4.2.2	General Findings .....	4-2
4.3	Broad Characteristics of Affected Populations .....	4-6
4.4	Household Characteristics .....	4-8
4.5	Household Income and Expenditure .....	4-9
4.5.1	Income .....	4-10
4.5.2	Expenditures .....	4-13
4.5.3	Estimated Impacts on Incomes.....	4-14
4.6	Land Ownership and Affected Land Assets .....	4-14
4.6.1	Absentee Owners.....	4-21
4.7	Project Effects on Agriculture .....	4-23
4.8	Disadvantaged and Vulnerable Groups .....	4-26
4.8.1	Ethnic and Religious Groups in the Context of the BTC Project.....	4-28
4.8.2	Gender .....	4-31
4.8.3	The Elderly .....	4-34
4.8.4	Economically Disadvantaged Groups.....	4-35
4.9	Attitudes towards the Project.....	4-35
4.10	Level of Information and Priority Improvements .....	4-37
4.11	Landowners Who Might Be Disproportionately Affected by the Project .....	4-37
4.12	Local Resources for Problem Resolution .....	4-38
4.13	Implications .....	4-40
4.13.1	Overall Income Impacts.....	4-40
4.13.2	Need for Continued Public Consultation and Disclosure Focus .....	4-41
4.13.3	Areas Requiring Immediate Focus of Study at the Outset of RAP implementation .....	4-41
4.13.4	Need for non-cash Compensation .....	4-42
4.13.5	Use of the right of Eminent Domain .....	4-42
Table 4.1	Surveys Undertaken for the RAP .....	4-1
Table 4.2	Distribution of 450 Affected Plots by Pipeline Corridor Region and District.....	4-6
Table 4.3	Household Amenities of Surveyed Population .....	4-9
Table 4.4	Ethnic Distribution of Affected Households.....	4-9
Table 4.5	Sources of Monthly Household Cash Income (GEL).....	4-11
Table 4.6	Sources of Monthly Household Cash Income – percent of total.....	4-11
Table 4.7	Crops on Affected Land Plots by District (percent of plots) .....	4-12
Table 4.8	Trees on Affected Plots .....	4-12
Table 4.9	Average Monthly Household Expenditures by District (GEL).....	4-13

Figure 4.8	Compensation Preferences.....	4-36
Figure 4.9	Perceived Land Quality .....	4-36
5	Land Acquisition Procedures and Implementing Responsibilities .....	5-1
5.1	Land and Asset Acquisition.....	5-1
5.1.1	Goals.....	5-1
5.1.2	Strategy and Procedures for Land Acquisition.....	5-2
5.1.3	Types of Land to be Acquired.....	5-3
5.2	BTC Land Requirements.....	5-3
5.2.1	Pipeline Construction and Protection Zones .....	5-4
5.2.2	Route Adjustments .....	5-4
5.2.3	Other Temporary Land Requirements .....	5-5
5.3	Acquisition of Private Land And Assets .....	5-5
5.3.1	Rights for Privately Owned Land Acquired by BTC .....	5-7
5.4	Land Acquisition Procedures.....	5-7
5.4.1	Compensation Process.....	5-7
5.4.2	Valuation Method.....	5-12
5.4.3	Valuation of Annual Crops .....	5-13
5.4.4	Valuation of Perennial Plants and Trees.....	5-14
5.4.5	Valuation of Livestock .....	5-16
5.4.6	Valuation of Pastures.....	5-16
5.4.7	Valuation of Immovable Assets and Infrastructure.....	5-16
5.4.8	Valuation of Timber Trees.....	5-17
5.4.9	Valuation of Restrictions on Land Use.....	5-17
5.4.10	Valuation of Consequential Losses .....	5-18
5.4.11	Valuation of Severed Parcels of Land .....	5-18
5.4.12	Valuation of Non Agricultural Land – Housing Allotments.....	5-18
5.4.13	Land Purchase Negotiation Process .....	5-19

---

5.5	Eligibility for Compensation .....	5-19
5.5.1	Documentation of Land Ownership and Use .....	5-19
5.6	Negotiation Process.....	5-20
5.6.1	Successful Negotiations .....	5-20
5.6.2	Unsuccessful Negotiations – Pipeline Re-Route.....	5-21
5.6.3	Unsuccessful Negotiations – Application of Eminent Domain.....	5-21
5.7	Acquisition of Public Land.....	5-21
5.7.1	State Owned Land Leased to Private Person .....	5-21
5.7.2	State Owned Land that consist of natural resources such as rivers and infrastructure such as roads .....	5-22
5.7.3	State-Owned Land in Communal Use (Sakrebulo-managed) .....	5-22
5.7.4	Compensation Offer for State-Owned Land Leased to Individuals .....	5-22
5.8	Organizational Framework for Land Acquisition .....	5-23
5.9	The RAP Fund Organization and Activities .....	5-25
5.9.1	Goal .....	5-25
5.9.2	Strategy.....	5-25
5.9.3	Potential Activities to Be Financed .....	5-26
5.9.4	Timeframe.....	5-26
5.10	Institutional Roles and Responsibilities .....	5-27
Figure 5.1	Land Ownership and Use.....	5-3
Figure 5.2	Private Land Purchase Process in Georgia .....	5-6
Figure 5.3	Steps in Compensation Process.....	5-7
Figure 5.4	Negotiation Process on Privately Owned Land.....	5-20
Figure 5.5	Land Acquisition Team Organization .....	5-25
6	Project Impacts and Mitigation Measures.....	6-1
6.1	General .....	6-1
6.1.1	Impacts on Private Plots .....	6-3
6.1.2	Impacts on Community-Used State Lands.....	6-7
6.2	Summary of Project Affected People.....	6-7
6.2.1	Affected Populations .....	6-9
6.3	Summary of Project Land Acquisition Plots .....	6-13
6.3.1	Level of Impacts on Local Populations .....	6-13
6.4	Resumption of Use of Cultivated Land.....	6-15
6.5	Permanent Restrictions on Land Use in the Pipeline Protection Zone.....	6-16
6.6	Impacts on Grazing Land and Pasture.....	6-22
6.7	Loss of Infrastructure .....	6-23
6.8	Impacts on Irrigation Systems .....	6-23
6.9	Loss of Trees / Perennial Crops .....	6-23
6.10	Loss of Annual / Seasonal Crops .....	6-24
6.11	Loss of Other Productive Assets.....	6-24
6.12	Impacts on Forestlands.....	6-24
6.13	Impacts on Enterprises .....	6-25
6.14	Loss or Damage to Community Property and Resources.....	6-26
6.15	Loss or Damage to Services and Infrastructure .....	6-26
6.16	Severance Impacts.....	6-26
6.17	Community Investment Program.....	6-28
