Absentee Owners
Survey Questionnaire**

**BTC PROJECT RESETTLEMENT ACTION PLAN
TURKEY
FINAL REPORT**

Baku-Tiblisi-Ceyhan raw petrol pipeline project plans to secure the transport of the petrol with Hazar Deniz. The villages which the pipeline will run through will have an 8m corridor of land which will be permanently expropriated, and a 28m corridor of land which will temporarily be expropriated. Your land parcels will be included in the expropriated lands. The new Expropriation Law will guarantee that the expropriated lands will receive a fair market value. In order to inform the Project of your opinions, we would like you answer the following questions in order to assist us in this matter.
