

***KRONOSTAR ACTION PLAN (CAP)***

Environmental, Health and Safety Action Item		Re
1. Develop and implement environmental and occupational health and safety management systems, and demonstrate completion by achievement of independent certification to ISO14001 and OHSAS 18001 standards.		
2. Obtain independent certification of sustainable forest management, using a certification system acceptable to IFC, for any company-owned or joint venture-owned or leased forests with lease period greater than 5 years.		Dr certific to b  Dem sat mainta certi Conc and re par
3. For wood or fiber supplied by third-party suppliers not owned or controlled by Kronostar, implement a policy to ensure that all such wood or fiber is of legal origin and does not come from any protected areas, and that certified supplies of wood are preferentially purchased.		Conc
