

LEGEND	
	Iso - contours of 50 meters
	Iso - contours of 10 meters
	Plant area 531,649 m2
	Quarry limestone limits 1,049,012 m2
	Creek
	Local road
	Connection road
	Houses area
	Electricity line
	Altitude of final benches
	Final benches
	Access and transportation road final stage (average slope 8%)
	Plants on the surface of the final benches
	Plants on the surface of the final plateau B218

PROJECT:	Burizane Quarries : - Design study - Reserves evaluation - Reclamation -Reforestation
AREA :	Burizane Limestone Quarry
EMPLOYER :	
SUBJECT :	Final Quarry Design - Reclamation Reforestation map
RESEARCHER :	ENERGY - MINING - ENVIRO L.t.d.
