

Final Updated Environmental and Social Impact Assessment – Aurora Gold Project

Document Outline

Main Text (one file)

TOC

Acronyms

1 Introduction

2 Project Description

3 Alternatives Assessment

4 Environmental Baseline

5 Socioeconomic Baseline

6 Risk and Impact Assessment

7 Assessment and Management Environmental and Social Risks (Ref: IFC PS-1)

8 Labor and Working Conditions (Ref: IFC PS-2)

9 Resource Efficiency and Pollution Prevention (Ref: IFC PS-3)

10 Community Health, Safety and Security (Ref: IFC PS-4)

11 Land Acquisition and Involuntary Resettlement (Ref: IFC PS-5)

12 Biodiversity Conservation and Sustainable Natural Resource Management (Ref: IFC PS-6)

13 Indigenous Peoples (Ref: IFC PS-7)

14 Cultural Heritage (Ref: IFC PS-8)

15 Master Reference List

Appendices (individual files)¹

Appendix 2A: Aurora Gold Project – Selected Preliminary Design Drawings

Appendix 4A: Bio-Assessment of the Cuyuni River near Aurora, Guyana, Environmental and Economic Implications, October 2009

Appendix 4B: CBSD Review of Aurora Project Biodiversity Baseline Studies

Appendix 5A: Example of Questionnaire Used for Gathering Updated Social Baseline Data

Appendix 5B: Notes from Public Consultation and Information Disclosure Site Visits, 2012

Appendix 7A: Environmental and Social Management System Plan (ENVIRON)

Appendix 7B: Management Plans (ENVIRON)

Appendix 7C: Standard Operating Procedures (ENVIRON)

Appendix 9A: Geochemical Testing Reports (KCB)

- 9A-1 Geochemical and Geotechnical Characterization of Tailings
- 9A-2 KCB Kinetic Interpretation
- 9A-3 KCB Aurora Static ARD-ML Interpretation

Appendix 9B: Hydrogeology/Groundwater Inflow Study (ITASCA)

Appendix 9C: Water Quality Study Report (ENVIRON)

Appendix 9D: Report from Independent Review of TMA Design

Appendix 14A: Archaeological Baseline Study Report
