Early Disclosure for Kinguélé Aval Hydro Power Project, Project #41172

We refer to the Early Disclosure document, dated June 17, 2020 in relation to the above project.
We hereby confirm that:

- We have reviewed the Early Disclosure document for Kinguélé Aval, which has been prepared by IFC and is dated June 17, 2020. We have no objection to its disclosure in accordance with IFC's Access to Information Policy, to be made available along with *Aménagement Hydroélectrique de Kinguélé Aval (34 MW) ETUDE D'IMPACT ENVIRONNEMENTAL ET SOCIAL VERSION FINALE POUR LES AUTORITES - REV 2 ORIGINAL ARTELIA / EDF / BIOTOPE*, dated April 2019 to interested parties (including the general public) through its placement on the World Bank's InfoShop and via the IFC Disclosure Website;
- We agree that IFC can publish contact details of where the public may contact us regarding this project;
- We appreciate that IFC's disclosure of the Early Disclosure document should not be construed as presuming the outcome of IFC's review of the potential investment or the decision of its Board of Directors;
- We understand that if the document(s) need(s) to be updated, the revised document(s) will be provided to IFC for disclosure.

Signed on behalf of Asonha Energie
