Attention:

**Environmental and Social Review Summary (ESRS) for the ENERJISA ENERJİ ANONİM  
SİRKETİ #48357 (the “Project”)**

We hereby confirm that we reviewed the ESRS document, dated November 12 , 2024 in relation to the above project. Please take this letter to confirm that:

- We approve the text of the ESRS and ESAP;
- We have no objection to the release of the ESRS and ESAP to IFC’s Board of Directors;
- We have no objection to the ESRS and ESAP being made available to interested parties (including the general public) through its placement in the World Bank Group’s InfoShop and appropriate World Bank Group country offices.
- We understand that if the ESRS and ESAP needs to be updated to reflect the final understanding of environmental and social issues with IFC, the revised text will be issued to us for prior approval;

**Performance Standards on Environmental and Social Sustainability and World Bank Group  
EHS Guidelines**

We confirm that we have received copies of the IFC Performance Standards on Environmental and Social Sustainability dated January 1, 2012, the World Bank Group Environmental Health and Safety General Guidelines (2007) and the project relevant EHS guidelines:

- WBG EHS Guidelines for Electric Power Transmission and Distribution (2007)

Provided that a loan agreement is made between ENERJISA ENERJİ ANONİM SİRKETİ and IFC and subject to the provisions in that agreement, we understand that all performance standards are applicable, or may become applicable, to the project and as such we will be required to

demonstrate compliance to them in due course, as provided under such loan agreement. We also understand that IFC require compliance with local regulatory requirements, and that we will be asked to demonstrate that compliance, also as provided in such loan agreement.

Signed on behalf of the ENERJISA ENERJI ANONIM SİRKETİ By:
