Environmental and Social Review Summary (ESRS) and Environmental and Social Action Plan (ESAP) of the TTI SLB Project (“the Project”) of Techtronic Industries Company Limited (IFC Project #50327)

We hereby confirm that we have reviewed the ESRS and the ESAP document(s) delivered to us on 25 April 2025 in relation to the Project. Please take this letter to confirm that:

- ◆ We approve the text of the ESRS and ESAP;
- ◆ We have no objection to the release of the ESRS and ESAP to IFC’s Board of Directors;
- ◆ We have no objection to the ESRS and ESAP being made available to interested parties (including the general public) through their placement on IFC’s Disclosure Portal, and appropriate World Bank Group country offices;
- ◆ We understand that if the ESRS or ESAP need to be updated to reflect the final understanding of environmental and social issues and mitigation measures with IFC, the revised text will be issued to us for prior approval; and
- ◆ We also confirm we have no objection to public disclosure of the Environmental and Social Impact Assessment (ESIA) of the Project Facility located in Saigon High Tech Park, Viet Nam.

IFC Performance Standards on Environmental and Social Sustainability and World Bank Group (WBG) Environmental Health and Safety (EHS) Guidelines

We confirm we have received the IFC Performance Standards on Environmental and Social Sustainability dated January 1, 2012, and the following WBG EHS Guidelines (April 2007): General.

We understand that the above IFC Performance Standards and WBG EHS Guidelines are applicable or may become applicable to the Project, and that we will be required to demonstrate compliance with such in due course. We also understand that IFC requires the Project to be compliant with local regulatory requirements and that we will be asked to demonstrate that compliance.

Signed on behalf of: Techtronic Industries Company Limited.
